Prestigious Fellowship Opportunity: **FICS** (OFFICIAL)

The Indian Chest Society (ICS) is pleased to invite applications for its prestigious Fellowship. Successful candidates will be honored with the title "FICS" to acknowledge their exceptional contributions to the field.

APPLICATION DETAILS

To be eligible, nominees must either practice medicine in or reside in India and be a current member of the ICS in good standing. Membership exceptions may be considered where applicable. Each nomination should include:

1. A completed application form.
2. A current curriculum vitae or biographical sketch of the nominee.
3. Two letters of support from ICS members.
4. To obtain the application form, please visit <https://www.indianchestociety.org>

CRITERIA FOR NOMINATION

- a) Cover Letter:** A letter from the nominating member detailing why the nominee deserves this recognition. Additional support letters from other members, individuals with first-hand knowledge, or relevant organizations may be included.
- b) Curriculum Vitae:** A comprehensive CV of the nominee.
- c) Experience:** The nominee must have been an ICS member and an active clinician, teacher, or researcher in pulmonary medicine for at least 10 years beyond their formal training.
- d) Recognition:** The nominee should be acknowledged by the respiratory sciences community for making significant contributions at the national or international level in the field of pulmonary medicine, whether as a clinician, educator, mentor, or researcher.

Fellowship Fee: Rs. 10,000 (To be paid after announcement of result)

Application Deadline: 10 September 2024
